

FAMILIES IN EARLY INTERVENTION QUALITY OF LIFE (FEIQoL)

Parent Name: _____ Date: _____ ID: _____

Child Name: _____ Early Interventionist: _____

Please rate the following aspects of your family's life as poor, fair, good, very good, or excellent. Answer every question by circling one number. "Family" generally refers to the people living with the child, but you can define it any way that makes sense to you and your family.	Poor	Fair	Good	Very good	Excellent
1. Our family's ability to solve problems together ^a (I) ^b	1	2	3	4	5
2. The communication within our family ^{a, c} (I)	1	2	3	4	5
3. Our family's relationships with extended family ^a (I)	1	2	3	4	5
4. The information our family has about our child's condition or disability ^{a, d} (II)	1	2	3	4	5
5. The information our family has about child development ^{a, c} (II)	1	2	3	4	5
6. The information our family has about resources, including services ^{a, c} (II)	1	2	3	4	5
7. The information our family has about what to do with our child ^{a, c} (II)	1	2	3	4	5
8. The alliances our family has, such as with friends and others ^a (I)	1	2	3	4	5
9. Our family's socializing with others ^a (I)	1	2	3	4	5
10. Our family's connections to organizations about our child's special needs (II)	1	2	3	4	5
11. Our family's ability to pay for things ^a (IV)	1	2	3	4	5

^a Jackson & Turnbull (2004)

^b Roman numerals indicate factors in English version: (I) Family Relationships, (II) Access to Information and Services, (III) Child Functioning, (IV) Overall Life Situation

^c Hind & Davis (1999)
